Chapter two delves into the implications of the social practice view of literacy for setting policy and guiding practice in providing adult LLN and ESOL. The book's central theme is debated here: the concept of literacy as a skill or as a practice. Literacy as a skill limits itself to the coding and decoding practices of the written word. Literacy as social practice (reading and writing

Adult Learning From Theory to Practice en copian ca

Adult Learning: From Theory to Practice is an online course intended for tutors in the Canadian adult literacy community. The course may be used by individuals in a stand alone, self-paced format, and/or by groups in various formats, both online and offline. The course focuses on a teaching-learning continuum, one end of which is directed learning and at the other, facilitated learning. The

Section 12 Planning an Adult Literacy Program

State colleges or, particularly, community colleges, may establish adult literacy programs, sometimes as the result of a mandate (in Illinois, until a few years ago, all state funding for adult literacy went to community colleges), sometimes as a response to a funding opportunity, and sometimes as a community service.
