Designing Organizations includes a comprehensive explanation of the basics of organization design and outlines a strategic approach to design that is based on the Star Model, a holistic framework for combining strategy, structure, processes, rewards, and people. The book describes the different types of single-business, functional organizations and focuses on the functional structure and the <http://elevatecoworking.co/Designing-Organizations--Strategy--Structure--and-Process--.pdf>

Designing Organizations From the Inside Out Queen's

It's a familiar story. While organizational design is not new - for centuries leaders have experimented with the best way to structure their kingdoms, armies, churches, factories, and governments - our track record has been less than stellar. Intuitively, we know that organizational design must enable employees to be more innovative, service
