By tracing two contrasting ideas - federalism and derzhavnost (dictatorship of power) - in the legacy of the Russian state, and in relations between the modern federal government and the regions, he demonstrates the need for balance in the delimitation of power. The election in 2000 of Vladimir Putin as President raised doubts about the future of federalism among politicians and citizens, but Stoliarov believes that the development of federalism is the only way forward for this multi-ethnic
