Have you ever tried to design a knitting chart using commercially available graph paper, only to knit it up and find the proportions are all wrong? This is because knitting stitches are not square but commercially available graph paper is! The answer is my special charting paper. The squares are rectangular just like knitting stitches. In addition every 5 stitches are marked off with a

Why Should We Use Knitting Graph Paper shop mybluprint com

I use knitting graph paper to re-chart stitch patterns from flat knitting to knitting in the round. It also lets me alter a stitch pattern to my taste and give me a visual of how it will look on my finished design. I love knitting graph paper so much that I bought several notebooks of it and use these notebooks exclusively for designing to record all my notes, sketches and of course, charts!
