International Aid and China's Environment Taming the

Using case studies, Morton analyzes the relationship between international and local responses to environmental problems in China, challenging the prevailing wisdom that weak compliance is the only constraint upon local environmental management in China. It advances two interrelated discussions: first, it constructs a conceptual framework for understanding the key dimensions of environmental

China s innovative and pragmatic foreign aid Policy Forum

China s foreign aid is fundamental to its globalisation agenda, Lauren Johnston and Marina Rudyak write. Speaking at the Davos World Economic Forum, Xi Jinping acknowledged that globalisation had brought new challenges, but urged that it not be written off entirely.
