Political philosophy Wikipedia

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed, what makes a government legitimate, what rights and freedoms it should protect, what form it should take, what the law is, and what duties citizens owe to a legitimate government, if

Political Theory of the European Union J rgen Neyer

Debate about the theory underpinning the nature, workings, and development of the European (EU) has in many ways been hampered in recent years by an intellectual divergence in the two main ways that the EU is conceptualized. On the one hand is a political science and comparative government oriented strand that sees the EU as a political system
