Politics and Economics in the Russian Far East addresses the key issue of what the Russian Far East and its Northeast Asian neighbours can do to further close economic and co-operative relationships. The question of to what extent the state should intervene to stimulate economic growth in the Russian Far East is covered, as are the options for a more laissez-faire approach. The possibilities for economic co-operation with the more successful market economies of the region are discussed as <http://elevatecoworking.co/Politics-and-Economics-in-the-Russian-Far-East-eBook-by--.pdf>
