Postcolonial Politics Routledge

Postcolonial Politics is a series that publishes books that lie at the intersection of politics and postcolonial theory. That point of intersection once barely existed; its recent emergence is enabled, first, because a new form of politics is beginning to make its appearance.

Postcolonial Politics The Internet and Everyday Life

'Postcolonial Politics, The Internet, and Everyday Life represents scholarship of the future. That is, it takes seriously how a group of people usually not heard from in mainstream academia (the South Pacific diaspora) utilizes a contemporary means of communication (the Internet) to articulate and formulate a subject rarely discussed in liberal democratic theory (collective identity in a
