Power and Politics in Poststructuralist Thought

Power is a central category in contemporary political theory. Where it is particularly crucial is in the field of radical politics, in which questions of emancipation, freedom and resistance all bear reference to a dominant mode of power which is perceived as being a threat to them.

Power and Politics in Poststructuralist Thought New

In other words, in poststructuralist theory there is an anxiety over the place of power , which is the structural tendency of power to reinvent itself in different forms. Therefore, a poststructuralist political approach involves a sort of permanent suspension or problematization of institutions and discourses. Nevertheless, because of its questioning of moral and rational foundations, poststructuralism has been criticized from many different quarters from liberals to critical
