Download PDF Ebook and Read Online Short Term To Long Term Disability%0A. Get **Short Term To Long Term Disability%0A Understanding the Difference Between Short term and Long**

In Ontario, short-term disability is a period of disability for up to 15 weeks. This is based on the length of time the government provides EI support. For insurance companies, short-term disability extends for a period of six months. Short-term disability insurance and long-term disability insurance policies do not overlap.

### **Short Term vs Long Term Disability What Do You Need**

The first difference of short-term vs. long-term disability insurance is in when the policy begins to pay out. Your long-term disability policy begins to pay after you've exhausted a longer waiting period. Usually three to six months. If you're looking at a longer recovery, or a more serious condition, this is where your long-term policy will come in. A long-term disability policy will
