Socialism Definition Pros Cons Examples Types

There are no countries that are 100% socialist, according to the Socialist Party of the United Kingdom. Most have mixed economies that incorporate socialism with capitalism, communism, or both. The following countries have strong socialist systems: Norway, Sweden, and Denmark: The state provides health care, education, and pensions.

Education and Socialism Marxists Internet Archive

Again, education is far more than the training of the intellect alone. It was a principle of Greek philosophy to unite instruction with music and exercise. Socialism would require and make possible the physical development as well as the mental. Productive work would be united with education.
