Four Stages of Knowledge University of Oregon

View of Knowledge: Knowledge is still contextual and relative, uncertain and tentative, yet it is possible to take positions, make choices, commit oneself. View of Instructor: A model of someone who is fully aware of uncertainty yet has the courage to make commitments. Teaching is challenging and encouraging students to explore complexities

Knowledge Wikipedia

The definition of knowledge is a matter of ongoing debate among philosophers in the field of epistemology. The classical definition, described but not ultimately endorsed by Plato, specifies that a statement must meet three criteria in order to be considered knowledge: it must be justified, true, and believed.
