Used Boat Motors Engines Outboards Bridgeview Marine

If you are thinking about repowering your boat but do not want to invest in a brand-new motor, our selection of used outboard motors and boat engines might be the perfect solution for you. Most of our used boat motors are used engines that come from a number of coastal fishing lodges. Since these motors are only used for one or two seasons and have between 400-1000 hours of use, they are still in premium condition but are available for a fraction of the cost of a new outboard boat motor.
